ARE YOU RELATED TO ANY NOTED INDIVIDUALS?
YOU MAY BE.
LET US HELP YOU FIND OUT.

▪▪

Your Ancestral File Number (AFN) is required to use the Relationship Finder
to see which noted individuals you might be related to.

The Relationship Finder searches the Ancestral File (AF) that the Church created based on the
four generation sheets we were encouraged to submit between 1978 and 1998.

Individuals who were living then will still show as living in the AF even if they have since died.

To find your AFN you will need to begin your search with one of your ancestors
that you know was deceased when the AF was created.

Once you find a deceased ancestor you can search his or her descendants
in order to hopefully find you and your own AFN.

The following instructions may help you find your AFN so you can create
a Relationship Report that will show any relationship between you and noted individuals,
including Church Presidents, US Presidents, Mayflower Passengers, etc.
